WORLD EXCLUSIVE!

Helen Flanagan! Topless for first time!

Star has wardrobe malfunction in the middle of a shoot!

WE'VE ALL
been there.

Getting changed on your hols, towel clutched between your teeth, Bermuda shorts tangled round your hairy ankles, when gravity strikes and it tumbles, exposing your white bits to a beachful of gawping locals. Helen Flanagan experienced that during a shoot in Ibiza, flashing her boobs and giving us a cheeky eyeful. Oopsie!

"Give me a minute, I've done this before!"

"Eee, this bra
is wonkier than
Ribery's face"

pics this way!

"Hang on, has my neck got shorter?"

BEACH BARING!

"Look at my shadow puppet - see, I've made a hand!"

All these pics, obviously, gave us an opportunity to catch up with Helen's press yakking, so here, in easy-to-consume soundbites, is the wisdom of that Ms Flanagan, from interviews, Twitter and Instagram. Enjoy!

On her car!

"Who knew you needed engine oil? You learn something new every day. I'm a girly girl, why would I know about engine oil? None of my other cars before needed engine oil!"

On getting caught shoplifting in Boots!

"I shop there all the time. It was absolutely mortifying. I thought, 'They can't arrest me, I'll still go to Boots!' People do walk out without thinking. I suppose I'm quite ditzyl!"

On having nippers!

"I've always wanted to have children. I always feel broody – I've been broody since I was about 18. I absolutely love children, I really, really do."

On her sexy shoots!

"I think women should celebrate themselves as beautiful and sexy. It's a positive thing."

On improving herself!

"I think I have every single spiritual self-help book in Waterstones!"

On men!

"For me, the most attractive thing is a gentleman."

"Lefty? Check!
Righty? Check!
Let's hit the surf!"

Even more Helen

**BEACH

"Are you sure

On treating others!

"Hating and being negative gets you nowhere. Giving love and being positive gets you where you want to be."

On dining in!

"Super Noodles for tea! Glamour!"

On talking to strangers!

"Note to self – in London, stop chatting to people randomly. They don't want to speak to you and it saves you the embarrassment!"

On being slim!

"I never diet, ever. I like to go to the gym to tone up and I have it in my mind to be slim, but I live off crisps!"

On hotel visits!

"I remember being in a hotel and seeing a man under the bed and I completely freaked out. I was terrified and thought I was going to die. The whole hotel had to be evacuated and put on security lockdown. They checked all the CCTV and the police were called. Then I realised that it was just a reflection under the mirror."

On her boobs!

"People have slated me online for showing too much side-boob, and some of the comments upset me – I think boobs are beautiful things!"

On returning to *Corrie*!

"I'd never rule anything out. Obviously, my character was a comedy character and it's really sweet when people say they miss me on *Corrie*. Comedy is something that I'd like to get into."

"Yes. It's a sand castle. I've seen them before. Bigger ones"

Spanish bull scores direct hit!

SOME BULL fighters go their entire career waving capes at 'roid-raging cows and don't suffer a scratch. Not so Spanish matador Rafael Cerro, who last week was on the receiving end of this eye-watering injury.

Amazingly, this was Rafael's return to the ring in Madrid after a goring in April pierced his scrotum and continued into his abdominal cavity, putting him out of action for two months. Now he gets a horn right up the jacksie, suffering severe bruising. The bull would be obsessively cleaning his horn. If he wasn't dead.

Here's one he did earlier!

➔ IF YOU were up early last Sunday, you may have seen Jeremy Clarkson tweet: "People of London. If you come to the Mall, you may be a bit amazed to see what's happening here!" He wasn't kidding – gathered on the Queen's driveway, was over £200m-worth of British-engineered engineering, assembled for a Jaguar special. They've not said which programme it'll be in. But it will be epic!

PETROL VS ELECTRIC! Clarkson pits this 622bhp Merc SLS AMG Black against its 740bhp all-electric sister.

TAXIS! Hammond tests the taxis of the world in a real life situation. On a race track, obviously.

Saints Row IV: first play!

**Hands on with the
silly action game!**

➔ **THERE ARE** few games that we can recall which start with you as a leader of a street gang and also President of the United States. You stride through the White House, deck an opposition member, decide between curing cancer or world hunger, and then face a 10ft-tall alien invader and his bug-eyed chums. But few games are like *Saints Row IV*, which we had an exclusive go on. It's out on August 23, when you can do that thing.

SUPERPOWERS!

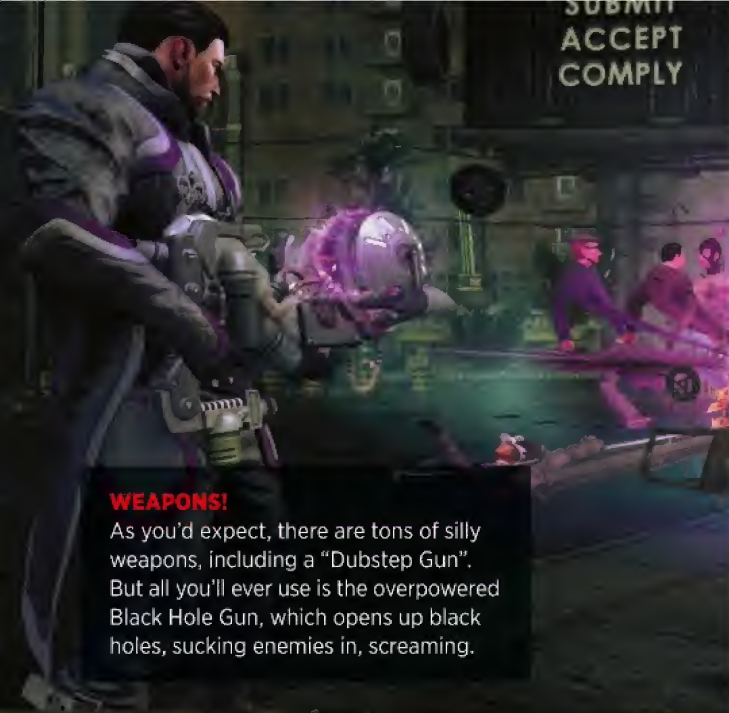

As gang leader/President of the United States you now, obviously, have superpowers, including a freeze blast, telekinesis, fire attack and seismic ground pounds. Obama will be jealous.

BONKERS STORY!

When aliens invade the White House, you take them on with small arms through the corridors, then eventually fight off their ships from a huge gun turret that rises from the lawn. Clearly.

ALIENSI!

After going hand-to-hand with Zinyak, warlord leader of the alien Zin empire, you take on the bug-eyed freaks as the main enemies, popping up in their space ships to rough you up.

WEAPONS!

As you'd expect, there are tons of silly weapons, including a "Dubstep Gun". But all you'll ever use is the overpowered Black Hole Gun, which opens up black holes, sucking enemies in, screaming.

BONKERS EXTRAS!

There's one huge alien tower that, if you scale it, rewards you with a proper Harry Potter broomstick (not shown, sorry), which you can then zoom around the city on, bold as brass!

Verdict

It's simple, really. Do you want to play a game that's been banned in Australia for its alien anal probe weapon, or not? This is GTA through the filter of a 13-year-old in a sugar coma, projected onto the side of a building. So, great, eh?

Near miss!

Plane narrowly avoids lightning strike

THOSE CHAPS scared of flying, look away now.

As mid-climb, moments after takeoff – the most dangerous part of a plane journey – this flight out of Boston is missed by feet by a lightning strike, in the middle of a thunderstorm. The pilot bravely ploughed on. The passengers, to a man, soiled themselves. As would we.

**FRIGHTENING
LIGHTNING!**

"Has that damn fool co-pilot been rubbing balloons on his head again?"

Eagle nicks fish!

Hungry sea lion loses lunch!

SO HERE'S a simply delightful illustration of

"you snooze, you lose", sponsored by Mother Nature. This sea lion was messing about in the water in Juneau, Alaska, playing with its just-caught fish supper, as is their wont. When a bald eagle spotted the opportunity and swooped in to nick the tasty swag. Cue a last-ditch attempt by the sea lion to reclaim his dinner, a crowing bird and a rumbley tummy for a certain Mr S Lion.

"S'cuse me! Can I
have your autogra...
oh bugger!"

Bald eagle facts!

- The bald eagle gets its name from the old English word "balde", meaning white – from its white head plumage.
- The eagle was chosen as the national bird of the US because the Founding Fathers often compared their republic with the Roman republic, where eagle imagery was popular.
- They're the biggest nest builders in the US, the biggest ever discovered being 4m deep, 2.5m wide and weighing one tonne.
- A bald eagle was once spotted carrying a 6.8kg mule deer, the heaviest load ever verified for a flying bird.

Car was hogging the revolving dancefloor again

It's a 1,030bhp hypercar!

Gents, just £2.7m will nab you the brand new Swedish-built Koenigsegg!

- Swedish hypercar chaps Koenigsegg pride themselves on producing a car that not only uses their own engine, but also has a removable hardtop which can stow inside the boot. The boot's about the same size as that of a Mini convertible and can even take a golf bag, or so Mr Koenigsegg says.
- The updated Agera S is the latest fruit of Koenigsegg's labours. It's a similar car to the flagship Agera R, but without the ability to run on E85 bio-ethanol fuel. Some countries don't have that sort of potion at fuel station pumps, see?
- The Agera S runs purely on unleaded or super-unleaded fossil fuel, and although

WORDS: JONNY SMITH

The new cab firm had overstretched itself

"Stop taking photos of me! I'm shy!"

this means it's slightly less powerful than the R, it still has 1,030 horses to tame.

- The challenge is to get the power from the twin-turbo 5.0-litre V8 through the twin-clutch, seven-cog paddle gearbox and out through the electronic diff and rear tyres. Someone at Koenigsegg has clearly managed it, otherwise

the performance times of 0-62mph in 2.9 seconds, 0-124mph in 7.9 seconds and 260mph maximum wouldn't exist. Hell, this mad Swede has a power-to-weight of 1.24bhp per kilo and will go from 0-186mph and back to zero in only 22.7 seconds.

- **There's mouth-gurning detail throughout the**

Agera S. The body and most of the chassis are carbon fibre, together with the hollow wheels and an active rear wing (which works by flexing the faster you drive, to create more downforce).

- On its front bumper corners, the Agera S has carbon winglets, which give less drag but 40kg more downforce

above 155mph. Handy to know if you live in London.

- **Last week, the fourth Agera S sold to a customer in Singapore, instantly earning it the status of the fastest and most expensive car ever sold there. How much? 5.3m Singapore dollars (£2.7m). And you thought a Veyron was expensive!**

BARE BONES!

ON THE MEND!

'Mower blade left my bones on show!'

Poor fella's chivalrous lawn mowing turns into absolute mauling!

➔ WE ALL like to do nice things for our lady. Take tiler James Perez from Brackley. "I came in from work and she was cutting the grass," James explains. "Being nice, I took over. It was all going fine, then I gave the mower a little kick and it jumped up

and landed on my foot, I lifted it off to find half my shoe wrapped around the blade, along with chunks of skin. It had jammed on the bones in my foot. I shouted to my missus, 'Call the ambulance, I can see my bones!'"

An X-ray showed that the mower had sliced open and

broken two toes, and James had a large hole in his middle toe-bone. "I needed surgery to repair the damage," continues James. "Now I'm on crutches and off work for six weeks."

This is why we never offer to mow the garden for our wives. That, and the fact we don't have gardens. Or wives.

Just wait till you see his feet, girls

I've been single for about four months and I'm ready to dazzle the ladies again. I think I should get something new, like a piercing or a tattoo, to give me a new edge – any suggestions?

LETTER OF THE WEEK!

Is my friend's girl into me?

I think my mate's girlfriend fancies me. When we all go out together, I'm always catching her eye. The other week, I'm convinced she deliberately flashed the top of her sexy hold-ups at me in a club. Am I reading the signs wrong?

DARREN Lincoln

Be careful, Darren. I suspect she's putting in lots of effort with you so that you give good feedback to your mate. I doubt she'd be flirting with you and, more than likely, you're just concentrating too much on her every move. Keep your hands in your pockets on this one!

I make her scream with ecstasy?

AJ London

Make her a playlist and turn the music up really loud. She'll naturally feel more comfortable and let go a little

bit. Then every time you have sex, turn the music down a little bit until she's groaning in your ear eagerly. You should talk dirty to her too – let her know you're enjoying it as well!

I'm just her rebound!

I met a gorgeous girl in the pub the other week. We've met up a few times and have already had some ace sex. But she's mentioned her recent break-up a few times, and I'm starting to think I'm only a rebound. How can I test if this is just a fling?

SAM Newport

Everyone's a rebound to some degree, so don't be too sensitive. Not many people have no baggage from their past. You didn't describe the "ace sex" – we want details! Just enjoy it and if you're right for each other you'll know soon enough.

BETH HUMPHREYS

Beth Humphreys!

The booby brunette
babe is back!

**“I’m a massive fan of
Nicole Neal. She’s lush!”**

Hi Beth! How are you?
I'm great, thanks. I've finished uni for the summer, so I'm officially on holiday. And I've just moved house. Plus it's great to be shooting for *Nuts* again. You guys are the best!

Thanks! What's the sexiest thing you've seen recently?
A Nicole Neal shoot. I'm a massive fan of hers. She's lush! I also like Charlotte Springer and you can't beat a bit of Pinder. I loved her iPad special.

Has summer well and truly begun for you?
Yes, definitely! I'm looking forward to having some time to myself to chill out and party. I'm hoping to get away, although I haven't booked anything. I'm more spontaneous than that, so it'll be a last-minute deal for me.

Is skinny-dipping on holiday a must for you?
Oh yeah, of course! It wouldn't be a holiday without a bit of nudity in the sea, would it?

Which *Nuts* babe would you love to frolic on a beach with?
I'm going back to Nicole Neal. She's too hot! I'd love to see that beach body.

What's it like seeing yourself on the shelves of newsagents?
It's so cool. I love it. It's a pretty strange feeling, but it's exciting. I'm yet to be recognised from the mag, though. That never happens. I don't think I'm that famous.

Have you caught Wimbledon fever over the last week?
No, not really. I'm not a big fan of tennis. It's all a bit posh, isn't it? Ha-ha! I'm a pretty sporty person though. I love horse riding, gymnastics, boxing, and a bit of athletics.

What's your favourite thing about summer?
The best thing is that I get to wear my little summer

“It’s exciting to see myself on the shelves of newsagents!”

"I'd be too
scared to get
a tattoo!"

BETH HUMPHREYS

dresses. I've just started with a personal trainer, so hopefully the dresses will start to get progressively smaller!

Have you watched any *Big Brother* this year?

No, it's not my cup of tea. I know a lot of girls go into the house, but I'd never do it. Well, I'd do it for a million quid, obviously.

Would you ever do any other reality show?

I don't enjoy watching reality shows that just show people getting drunk all the time. If I wanted to see drunk people, I'd go down the pub. I'd go on them for the money, and treat it like a job, but I wouldn't go on them "just because".

What telly do you like?

Ice Road Truckers. It's awesome!

Sweet! Do you have any tattoos or piercings?

I'd be too scared to get a tattoo – I don't like needles. I do have a few piercings, but that's a bit different, isn't it? With piercings it's over in a few seconds. Tattoos take hours.

What's going to be your summer anthem this year?

I haven't updated my iPod in years. I usually stick to the old classics, but I really like J Cole. His last album was quality. I was planning on going to the Leeds Festival. The line-up they have is amazing.

Are you a big fan of festivals?

I don't like the massive ones so much. They tend to get a bit commercial. I've been to a lot of smaller ones, though. The last one was Wakestock down in Wales a couple of years ago. That was amazing.

Cracking! Finally, then, what's a really good look on a bloke?

Guys should wear clothes they feel comfortable in. That will allow their personality to come out. Don't try to be someone else, guys! Just look in the *Nuts* fashion pages – there are good things in them! 

"It wouldn't be summer without a bit of nudity!"

The rules are simple. We fill our bucket with ridiculous questions, then a famous type picks them out at random and has to answer them!

Hello Seann! Can you describe your new show, *Seann Walsh World*, in one sentence?

A clip show that acts as a springboard for stand-up and sketches with new comedians in which I get to work on a show with all my best mates.

What do you think would happen in a world full of Seann Walshes?

Oh, nothing. That's the problem. Literally nothing would happen. There would be loads of me in bed asking loads of me to go and do something for me, like get some milk,

but they wouldn't, because they're me and lazy. So nothing would happen. It would be terrible!

Are comedians irritating to live with?

I'm quite cranky. You should ask my mate who sometimes stays around. The other day I had a go at him because I didn't like the way he was sitting on my sofa. He was sitting like this at me. [Sits up and spreads knees.] No one wants that. I lost it.

Would you make a good sitcom character?

Well, I'm going to be in a sitcom, called *Big Bad World*. My character's a bit like me. He's lazy and he doesn't have his own toothbrush. It's based around Blake Harrison who plays Neil in *The Inbetweeners*.

What would be your pitch if you ever went on *Dragons' Den*?

I'd invent a really big bin that screams, "Get in!" when you chuck something in. I'd invent a see-through DVD player so you can see what film is in there, in case you've forgotten you've changed films. And I've got a great idea for a urine planner, which is a special app that lets you know when your next wee is due. There's nothing worse than leaving the house then realising you need a wee.

Can you give us some hair tips, please?

I don't do anything with my hair. I barely wash it. The only reason I don't have short hair is that I can't be arsed to get it cut. It's not some sort of fashion statement. But now I can't get it cut because everyone would go, "Who the f**k is that unfunny bloke with the short hair?"

Who's the best comedian to get drunk with?

Definitely not Josh Widdicombe. I've got at least five videos of Josh Widdicombe absolutely

puking his guts up because he can't handle his booze. I've got one of him recently where we've had to pull over on the motorway so he could vomit. Don't worry, he wasn't driving!

When comedians go on *Michael McIntyre's Comedy Roadshow*, does he lord it over you all?

No, but he did bring me out to do an impression of him. He sat in the front row and watched. [Does really good impression of Michael McIntyre.] "Basically, hello, it's Michael here, welcome to my Comedy Roadshow. Now I'm going to bring out Seann Walsh to do an impression of me." He enjoyed me doing him more than he enjoyed me!

You used to warm up the audience before they recorded *Q!*. How nice is Stephen Fry in real life?

He's lovely. He's the nicest bloke you could ever meet. Most of the time, you get referred to as "the warm-up thing" by the host of shows like that, but he remembered my name, and that was quite a big deal.

After JLC lookalike work dried up, he made ends meet cleaning windows

Do you wind up Sean Lock because you have more Ns in your Seann than him?

I wouldn't wind up Sean Lock to save my life. Well, it wouldn't save my life because if I wound him up, he'd kill me.

The Champions League draw's budget had been slashed

HAIRY COMIC!

His business cards needed some work

How long would you last if you were on *Big Brother*?

When I was a kid, I wanted to be on it. I thought. All I'd want to do is not get evicted!

'RIDING WITHOUT FEET

***IS A CHALLENGE BUT I DON'T LET
ANYTHING HOLD ME BACK!'***

Meet Murray Hambro – Britain's first
double-amputee superbike racer!

THREE YEARS after losing his legs in an explosion, 33-year-old Murray Hambro – a former Lance Corporal in the Second Royal Tank Regiment – is now the first-ever double amputee to race at the British Superbike Championships...

Hi Murray. Can you tell us a bit about the day that changed your life?

We were doing supply runs for 2 Para [Second Battalion, the Parachute Regiment]. We'd done four runs throughout the day but the Taliban realised what we were doing and planted a 65kg improvised explosive device with a battery pack attached across the track. We drove over the battery pack and that detonated the device. I was sent about 40 feet into the air and came down hard.

What injuries did you sustain?

I broke every bone in both feet, my pelvis, six vertebrae, tore my liver and spleen, but the worst part was the cut on my nose. I thought, "Anything but the face!" The guys jumped out of the other vehicles and sorted me, the driver, and the other passenger out. As they were putting us on stretchers, the Taliban appeared and started lobbing grenades at us! We were loaded up and moved back to our patrol base, and then eventually back to the UK.

When did you find out you'd lose your legs from the knee down?

At first I thought, "Well, a bit of plaster for maybe six to eight weeks and I'll be up and about again." But then the consultant said, "The right

one has got to come off. We could try to rebuild the left but you'll be in and out of hospital for the next two to three years and the end result could be you lose it anyway." Within 48 hours of getting to hospital, I was a double amputee.

What was going through your mind?

Well, I was on a lot of medication at the time so I wasn't too bothered! As the surgeon was explaining to me what they were going to do, I was updating my Facebook status! "Off to surgery to have my feet chopped off. See you in a couple of hours."

When did you think about racing?

After my operation, the surgeon asked me what my hobbies were. I told him, "I ride motorbikes." He looked at me and told me to get a new hobby!

What made you stick with the bikes?

I've always loved bikes. I've been riding since I was eight or nine. It's the focus that being on a bike brings – it made me want to compete. I've always loved a challenge, and everyone around me was really supportive. They knew it wouldn't be of any use trying to put me off. If someone tells me not to do something, it's like a red flag to a bull!

What was your first-ever race like?

It was a bit nerve-wracking, because I didn't know what to expect. In my head I thought I was still riding a road bike but when you are racing competitively, you have to be much more aggressive. You do what you have to do. I finished last but it was a big learning curve.

What's your ride?

A Triumph Daytona 675R. Top speed, around 150mph. We had to put the gear change up on the handlebars and install thumb brakes. For racing, we also put a peg through my boot so it keeps my foot in place.

Murray served with the Second Royal Tank Regiment

You've got the word "legless" embodied on your leathers...

Ha-ha! Yeah. Call it squaddie humour. I like to remind myself of where I've been. My race number is 912 – the date of the explosion. My numberplate spells NO FEET. After the explosion, a young lad in one of the vehicles behind us took it upon himself to take some photos. They were confiscated at the time, but found their way to me. Then I thought it would be cool to have it tattooed on my back. Plus my missus loves tattoos! Some people think these reminders are dark, but I'm reminded of it every time I look down, so all the other stuff doesn't really make a difference.

Have you had any hairy moments since becoming a superbike rider?

I went into a tire wall head first at 80mph not too long ago. When I got up I had to re-adjust the height on my prosthetics to make myself the right height again. You can't really be afraid of falling off, though.

You ride against able-bodied riders – does that put you at a disadvantage?

Riding against able-bodied people is certainly not an advantage, but I improve every day and I don't let anything hold me back. You can find the positives in any situation if you look hard enough.

Good stuff. Thanks for the chat, Murray. Finally then, what does the future hold for you?

I have running blades now, and I also do some cycling and swimming. I'm doing all I can to get fitter so I can race harder! ✕

JOEY & STACEY

When Joey Met Stacey!

Brace yourself, gents
– it's a clash of the
boob titans!

Hello Joey Fisher and Stacey Poole! How are you enjoying this battle of the big boobs?

Stacey: It's been very good – it's really adventurous because Joey is the only girl I've shot with who has bigger boobs than me! I think that's quite an achievement.

Joey: I'm loving it. I've shot with Stacey before and she's such fun to shoot with. I think we work well together with our gigantic boobies.

Were you a bit scared something might happen when both sets of boobs came together?

Stacey: Well, I think Joey's obviously got bigger boobs than me, so I was a little bit worried about being suffocated by them. Ha-ha! No, I'm more worried about standing next to them.

I don't want to get overshadowed. They're absolutely humongous!

Joey: Ha-ha! I was. I'm worried for the camera and the readers' eyes. I don't know if they're going to be able to handle seeing so much boob.

Do either of you have boob envy today?

Stacey: I do a little bit. Joey's are massive but a really good shape. She's also got a really good body for it.

Joey: Yes. I can't help but have a cheeky glance at the other boobs when I'm shooting. I need to shoot with Emma Glover so I can have a perv on hers. She has a lovely body.

Have you got any plans for the summer?

Stacey: I've got a few holidays booked. I want it to be really, really warm out so I can wear very little clothing and feel all summery and sexy. You may well find me in Ibiza with my pal Sarah McDonald. ►

“Joey's boobs are absolutely humongous!”
Stacey

JOEY & STACEY

**“The best
thing about
summer is
not wearing
clothes!”**

Stacey

Joey: Yes, finally. I love summer – it's the best season. I especially like getting a natural tan. There's just nothing sexier than a sun-kissed look. And now I have a reason to take lots of naughty bikini pictures.

Do blokes do a double take when they see you lounging about on holiday?

Stacey: When I went last year with Sarah, that happened a few times. Because we've both been modelling together, people come up to us and say, "I'm sure I know you from somewhere!" We're like, "I wonder where that is?" Ha-ha! It's definitely happened before. No doubt it'll happen again.

When either of you see chaps reading *Nuts*, are you tempted to say hello?

Stacey: Sometimes when we're out and about, my friends see a guy reading *Nuts* with me in and they say, "Shall we go up and speak to him?" But I'd be too embarrassed. I'd love to do it to a bloke by the pool on holiday though. That would be funny!

Joey: I'm still getting used to seeing myself in *Nuts*, but I love it. It makes me feel really sexy and confident.

What's the best thing about British summer?

Stacey: Probably the best thing about it is going out and not wearing many clothes – just shorts and crop tops and all that sort of thing. I like drinking and having a good time, going to festivals and stuff like that.

What's your summer tipple of choice?

Stacey: I like Passoa and lemonade – it gets you drunk really quickly if you're like me, because I don't normally drink that much. When I go on holiday I'm a lightweight. ►

"I went for a naked dip on holiday!"

Joey

Do you have any saucy summer holiday experiences you can tell us about?

Joey: On my last holiday in Magaluf, me and my mates all got a bit drunk on a night out, so we thought it would be a good idea to run to the sea, take off our clothes and go for a bit of a dip. But when we came back, all our clothes and bags had been stolen. We had to walk back to our hotel, dripping wet, in just our bras and knickers!

Amazing! Wimbledon's back. Are you excited?

Stacey: A bit, yeah – I don't mind watching it. It's not something in my calendar but when it's on I'll flick on to it and will watch it. Everyone likes to get a bit excited by it.

Joey: To be honest, I don't really bother watching tennis. I can't take it seriously, especially with all the weird grunting noises the players make when they hit the ball!

What's the sexiest thing you've seen recently?

Stacey: Sallie Axl on *Big Brother*. I've loved seeing her side-boob shots in particular. I've shot with her before and she's lovely. We went on a night out, and she's just as crackers as she is on telly.

Joey: I'm always getting rude and naughty pics on Snapchat. Especially off Lucy Collett. I opened up a video of her talking to her nipple! It was hilarious.

Thanks for the chat, girls! Finally, what are you most excited about right now?

Joey: Well, I'm off to Zante for two weeks in August with my girl mates, so I'm pretty excited about that. We'll all definitely be whipping off our bikini tops for some topless sunbathing!

Stacey: Yeah, hopefully there'll be loads more opportunities for some sexy fun in the sun! **X**

"I loved Sallie Axl's side-boob shots!"

Nuts road test the brand new 'Million Pound Drop' game!

Fans of *The Million Pound Drop*, listen!

➔ **THE LATEST** in online games at Nuts Games, "*The Million Pound Drop*" slot has just landed and we gave it a try. *The Million Pound Drop* is the online game taking the UK by storm. With a top jackpot of £26,000, we had to try it – we didn't win £26,000, but we tripled our wager. Result!

How to play

CHOOSE YOUR COIN SIZE

- Play from 1p up to £1. Payouts are based on multiples of coin size, so the size of your winnings depends on it.
- The game plays on a fixed 25 lines, so if you choose the 1p coin size it'll cost you 25p a spin. Or, if you feel flush, the £1 coin size will set you back £25 a spin – but it could win you £26,000!

CLICK SPIN TO START

- You win cash by matching symbols along your paylines. The WILD symbol substitutes for all symbols except the Bonus Symbol.

COLLECT CASH ON YOUR TRAPDOORS

- Trapdoors lie beneath each of the five reels. Every Bonus Symbol that appears adds to the trapdoor cash beneath it.
- The amount of cash added is based on your total bet. You can win this money at the end of the Bonus!

BONUS GAME & FREE SPINS!

- Win three or more Bonus Symbols to initiate the bonus game.
- First, choose how you want to redistribute the cash across the trapdoors. Once you're happy with your distribution, press "ready" and the FREE SPINS begin!
- A trapdoor can open during each free spin. When one opens, the cash drops through and creates a whole stack of WILD symbols, which means more cash for you on your free spins!
- The WILD stack stays throughout all your free spins. Your free spins continue until just one trapdoor remains – then you win the cash that's left on the last trap door.

IT SAVES YOUR PROGRESS!

- When you're playing the main game, any cash you've accumulated on the trapdoors will save from session to session, even if you log out and log back in another time.

10 RUDE QUESTIONS!

And a real girl to answer them!

Hannah

21 Hampshire

1 Where's the strangest place you've had sex?

"I'm a huge fan of having sex in strange places, especially where you can easily be caught. I've done it in the changing rooms of a few shops before. I think that's a strange place – it was very naughty."

2 What's your trademark move in the bedroom?

"Oh, definitely with me on top. If I'm on top it means I'm in charge. However, I'm the type of girl who loves to change it up in the bedroom – I don't just like to stick with one position

and I especially love being thrown about the room!"

3 What really turns you on?

"I'd have to say me being dressed up. When I'm dressed in different outfits I feel like being naughty in the bedroom. I think being dressed as a naughty secretary makes me feel extra sexy, so it turns me on even more."

4 What's your favourite position?

"That's a tough one as I love every position and I really love to experiment in the bedroom. I guess I'd have to say I enjoy sex most when it's very intense.

I do like it when we're both really going for it – it's an amazing feeling."

5 Is it better to give or receive?

"I love giving and, obviously, every girl loves to receive. But I'd have to say it's better to give as I love seeing a guy enjoying himself. And it's super-fun when you're really good at it."

6 What one thing would you like to try but haven't yet?

"There are so many things I'd love to try, like sex on a trampoline or sex on a beach. I think it might get a bit messy on the beach though."

7 Have you ever got it on with another girl?

"I could lie and say no, but my friends who know what happened would have a go at me. So yes, I have! Let me just say that I was very drunk after cocktails, shots and fish bowls on holiday."

8 Have you ever made a rude video?

"No, that's something I haven't done. I think I'd like to, though, and I reckon it's every guy's dream to make one. So maybe next time I'm feeling adventurous I'll be making a rude video. Keep your eyes on YouTube!"

PHOTOS: PAUL MUSSO

9 What's the rudest thing you've done?

"That would be being naughty with a guy in the same room and same bed as my best friend and her guy. Let's just say I have a big bed!"

10 Do girls engage in as much "alone time" as boys?

"I'm not sure about girls in general but I know I do! What can I say? It's not my fault I have a high sex drive!"

Ladies, got a saucy secret you can't keep to yourself? Send your sexy story to our Lou!

CONFESSION OF THE WEEK!

'Maximus was a lot of fun!'

I'D BEEN invited to a fancy dress party at my old flat, and knew there would be loads of sexy single guys there. I looked really fit in my skimpy Wonder Woman outfit and had been flirting like mad with a guy dressed as a gladiator. We were soon getting off with each other in the hall. Eventually, we moved into a bedroom, where, in front of a mirror, he pulled my panties down and began playing with me. Before long, he'd bent me over and was taking me hard from behind. We had to be really quiet, which made it even more thrilling!

Kate South London

'We had a sexy ride!'

MY FELLA and I were travelling up to Newcastle to surprise his sister, who

was at uni there. We caught the last train, and there were hardly any people in our carriage. We had a few little kisses and his eyes kept glancing at my chest. Suddenly I felt incredibly horny. I leaned

across and pushed my hand down his trousers. He was so aroused that he suggested we do it in our seats. In silence, I climbed on top of him and we had intense, slow sex in the empty carriage. I came quietly and he followed about a minute later. It was the most sensual sex we've ever had!

Penny Brighton

'Beach run made me hot'

I'VE JUST come back from a long weekend at a friend's villa in Spain. I'm training for a half marathon, so took my running stuff. A few evenings, I'd seen a hot bloke jogging on the beach. I noticed him running back and forth a few times until he plucked up the courage to come over. His English wasn't great but I could tell he fancied me. I ran my hand over his tight chest and arm muscles. I could suddenly see his manhood throbbing through his shorts. I put my fingers inside them and played with him on the beach, as he groaned in delight. His hands dived into my shorts and he grinned as he felt how wet I was. We stared at each other as the pleasure got more and more intense. I had to get back to the villa, so we arranged to meet later in a bar. The rest of that evening was a lot of fun!

Jackie Brentford

'I worked my way down'

I'VE BEEN dating a younger guy and we're very adventurous – we love to do it outside. As we live in a house full of people, we like to go on long walks to spend time alone and get jiggy. On one late-night stroll, we couldn't stop kissing and grabbing each other. Then I seductively sucked his thumb. He suddenly put his hands around my waist and up my top. He had my bra unclipped in seconds and his cold hands were cupping my breasts and tweaking my nipples. I worked my way down his body, then gave him head until he couldn't wait any longer. He pulled me up high in the air, I swung my legs tight around him and we bashed against a fence for support. He pumped me hard and fast – I still have scratches and dirt all over my clothes!

NUTS INVESTIGATION!

The mad world of Andy Murray!

A *Nuts* investigation shows that there's nowt boring about Andy!

➔ IN THE past, certain elements of the press have tried to portray British tennis monolith Andy Murray as boring, sulky and basically not very interesting. *Nuts* being the magazine that digs a little deeper, we've discovered that he's as endearingly bonkers as he is handy with a racket – and here's the proof!

He has a catchphrase!

For *Take Me Out* presenter Paddy McGuinness, it's "No likey, no lighty!" For beardy *Apprentice* bloke Lord Sugar, it's "You're fired!" And for Andy, it's "Treat yourselves!" We don't know what it means or what kind of treat we're supposed to give ourselves, but it sounds nice. Thanks, Andy!

He assaults his coach!

During a charity match at the Queen's Club, Andy walloped a forehand full whack at his coach Ivan Lendl. Deliberately! When it slammed into Lendl's chest, he went on a lap of honour that lasted longer than the game. Check it out at nuts.co.uk/news – it's hilarious!

Twitter rage!

He gets miffed on Twitter when he gets "there" and "their" mixed up. Relax, Andy. Our writers get there knickers in a twist about it too. See what we did their?

Weird taste in music!

Kid Rock? '80s rocker John Cougar Mellencamp? This is the sort of stuff that double-denim-wearing men like Jeremy Clarkson listen to. Come on, Andy, you should listen to modern music like Will.i.am and One Direction. On second thoughts, maybe you have a point.

Quips!

Andy's actually a funny chap – you just have to ask him the right question. For example, when he was asked who he'd be supporting in the 2006 World Cup in the absence of Scotland, he joked, "Whoever England are playing against!" The cheeky scamp!

He supports Wolves!

Of all the sides to make his official English team, Andy chose hapless relegation-happy Midlanders Wolves, on the advice of his former Davis Cup coach John Lloyd. John Lloyd is from Leigh-on-Sea in Essex – what's his excuse?

He's like Muhammad Ali!

Andy has something in common with the former boxer and sporting legend Muhammad Ali in that he never refuses to sign an autograph for his fans. After missing out on his hero Andre Agassi's autograph as a youngster, Andy vowed never to refuse any requests – much as Ali promised to do the same when, as a nipper, he was snubbed by the then world middleweight champ Sugar Ray Robinson. Top chaps!

He gives away stuff on Twitter!

At any given time, you may pop over onto Andy's entertaining Twitter feed and find him offering signed rackets and whatnot to his followers. All you have to do to win is answer a question about tennis. Which, to be honest, is usually where we start to struggle.

He consumes a bonkers amount of sushi!

As a top athlete with a near-psychotic exercise regime to follow, Andy has to take in 6,000 calories of nosh a day. One way he manages to meet this requirement is by "enjoying" 50 pieces of sushi every day. That's over 18,000 pieces a year! Even *Man Vs Food* bloke Adam Richman would struggle with an eating challenge as daunting as that.

1 BLADDERED BOON!

Aussie batsman and pro moustache-wearer David Boon got carried away by the free booze on offer on his 1989 Ashes flight to London. And when we say carried away, we mean he sculled 52 cans of beer to claim an unbeaten Sydney-to-London Ashes drinking record.

2 MUNTERED MARSH!

We've all been there - we get so drunk on the plane that we have to be carried through customs on a luggage trolley. Right? Well, that's what happened to Aussie star Rodney Marsh in 1983 after he necked 45 cans, and team-mate Dennis Lillee had to wheel him through customs.

Booziest Ashes Moments!

We look at the drunken lunacy brought about by one of the world's greatest sporting spectacles!

THE ASHES

isn't just about cricket, it's about beer! Lovely beer! Here, *Nuts* revisits some of the series' booziest episodes...

- *Ashes, Clashes And Bushy 'Taches* by Gershon Portnoi is out now priced £9.99.

ENGLAND ON TOP!

England reclaimed the Ashes with a 2-1 win the last time the Aussies visited, in 2009.

5 BATTERED BEEFY!

On an '80s Ashes tour, Ian Botham and his team-mates had a binge in his hotel room. When Ian awoke, there were cans, bottles and cricketers everywhere. As Ian surveyed the scene, a team-mate remarked: "Beefy, are you aware there's a cheeseburger stuck in your ear?"

6 SOZZLED SYMONDS!

Aussie all-rounder Andrew Symonds warmed up for the 2005 Ashes series with an all-night bender, then went straight to a training session. Reeking of booze, Symonds leant on a wheelie bin, fell over, then insisted to coach John Buchanan he'd played in that state before.

3 FLINT-OFF HIS FACE!

Freddie Flintoff celebrated England's 2005 Ashes win by drinking for 24 hours. During the open-top bus tour around London, he slurred his way through several TV interviews with the word "TWAT" scrawled on his forehead. Steve Harmison wrote it there during the night.

4 WARNER GETS WHAMMOED!

Aussie batsman David Warner made himself at home in Birmingham last month by visiting a Walkabout bar. But he got so hammered, he whacked England's Joe Root on the chin. Australia banned him for three weeks, meaning he'll return in time for the first Test. Funny that.

7 HAMMERED HOGGARD!

England's 2005 Ashes hero Matthew Hoggard can also boast about swearing at ex-PM Tony Blair. When the sozzled team left a reception at 10 Downing Street, they were greeted by a bank of photographers. "What do they want?" asked Blair. "A photo, you knob," replied Hoggy.

8 TIPSY TUFFERS!

On England's 1991 Ashes tour, spinner Phil Tufnell went to a strip club that sold Castlemaine XXXX by the six-pack. "My abiding memory," he said, "is coming out in the morning, with the birds tweeting, doing the walk of shame as England fans said, 'Morning, Tuffers!'"

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Ha! Two snails at it on the pitch!"

Rooney: stay in the Premier League!

Barça and Real are great, but think about the Gooners!

➔ **OVER THE** last couple of weeks, Wayne Rooney's name has rarely been out of the papers, with clubs like Barcelona, Real Madrid and Paris Saint-Germain being mentioned.

Now, I've always said that if he's going to move, it should be to a club as big as Man United, so I think that rules out PSG. As for the Spanish sides, can you see

him going to Spain? And does his form over the last two seasons actually merit his going to such huge sides?

The one name I think you have to take seriously is Arsenal. For one thing, it would mean Wayne's young family wouldn't have to move abroad. And if he wants a challenge within this country, he could look to an Arsenal side that are settled defensively and just

need someone who can put the chances away.

If Rooney does leave Man United, he faces a difficult choice, but I don't see him going abroad. Wayne is more suited to the English game than the Spanish game. And it's very rare for foreign clubs to raid our players, despite the influx of foreign players into our clubs. I'm pretty certain that Wayne's future is in England.

"Are those giant sticks of celery still behind me?"

I can't work out Brighton's treatment of Gus Poyet!

THE NEW season hasn't started yet and we've already had bizarre scenes, as Gus Poyet found out that he'd been sacked by Brighton while working as a pundit for the BBC during the Confederations Cup. Brighton player Vicente has subsequently accused Poyet of being a bully, for good measure, but I know Gus really well and he's no bully.

One thing's for sure, it's a mess, and it's very sad that it's ended like this for someone who has done so much for Brighton. He took them to within sight of the Premier League, and their fans must have been hopeful that he could have taken them that one step further next season.

Gus won't be short of offers after what he's achieved, but it's a sad time for Brighton.

Pepe Reina may have to face life as Liverpool's number two!

IF YOU watch Pepe Reina on a regular basis, as I do, then you'll see that he makes all the saves that you'd expect of a goalkeeper. They look spectacular, and he keeps them out. But the truly spectacular game-changing moments for the top goalkeepers are when you see them picking the ball out of the back of the net.

Reina has had no real competition at Liverpool for a long while now, so I suspect manager Brendan Rodgers has decided, "Right, I'm going to bring in Simon Mignolet,

who's as good, if not better than you, and you're going to have to either up your game to make sure you stay in the team, or the new boy's going to take your place." Mignolet was outstanding for Sunderland last season – I think signing him is a good move by Brendan.

We highlighted some of Pepe's errors in *Goals On Sunday* and I think he'll be under pressure for the first time in several seasons. If he can't handle it, I can't see his boss losing much sleep if he decides he wants to move.

"Yep, double pepperoni please, boss"

ASK KAMMY!

"What's the most epic post-match booze-up you've ever been on?"

WAYNE via Twitter

That would be when Leeds got promoted on the final day of the 1989/90 season at Bournemouth. After the game, we stopped off at an off licence in Bournemouth and filled up the coach because it's a long way back to Leeds. That was a brilliant day, and we ended up in a nightclub in Leeds – some stuff happened that night that I'm not even putting in my book!

"Which TV programmes and films do you never miss?"

ROCCO via Twitter

I'll be honest with you, it's very rare that I switch off completely, so if there's some football on the television, wherever it may be coming from – Spain, Italy or whatever – you can reasonably assume I'll be watching it. But I do have an agreement with the missus that I let her watch *Coronation Street*, and I like to watch a bit of *Emmerdale* as well!

Congrats to an England legend!

LAST WEEK, England's Rachel Yankey (below) became the most capped England international in history when she won her 126th cap in the 1-1 draw against Japan.

If women's football was as big in the UK as it is in the States, she'd be a household name. But she's at least put the game on the map here, even if Great Britain disappointed in the 2012 Olympics.

The Euros are coming up soon and you'll be able to see

some of the games on TV. I wanted to put together an over-40s team to play the England side to promote women's football, but they wouldn't play us. I felt that was a shame – it would have been a good chance for them to demonstrate their skills. I think they'd have beaten us!

EXCLUSIVE!

David Price: 'I'm out for redemption!'

The heavyweight on coming back from a KO, Lennox Lewis... and David Moyes!

➔ Hi David! You've been training with Lennox Lewis for your Tony Thompson rematch. What has he taught you?
Well, Lennox has been added to the team so I went over to Canada to train with him for a bit. It was an experience for me. He showed me a lot of subtle little things to improve my performance that I wasn't doing before.

What did you learn from being knocked out last time round against Thompson?
I need to avoid complacency, before and during the fight. I also need to be a little bit more patient. I don't think I did anything wrong in the build-up to the last fight, I just made a mistake during the fight which cost me. I can't leave anything to chance this time, so I'll be ready for it.

Were you angry with yourself afterwards?
I went through a bit of a process, actually. Firstly I was shocked, then I was devastated and then I was pissed off that it had happened. Once I got over being pissed off, I was just frustrated and angry that I'd let it happen. Since I've been back in the gym, I've been able to let go of all that though, and

now I'm more focussed. I'd take any type of win because this fight is about redeeming myself. It doesn't matter how I win, I just need to right the wrong from the Thompson fight and move on.

When will you be a world champion, do you think?
Whenever my team feels like I'm ready. I used to say around 18 months would be a good time to fight for a world title, but I've got to get over this loss to Tony Thompson first. That loss obviously set me back a few months so we'll see.

You're a big Liverpool fan. How do you think David Moyes will get on at United?
It's better for Liverpool, because nobody will be able to come in and replicate what Sir Alex has done for the club.

I think next season, Liverpool players will be more used to Brendan Rodgers' system and things, so we'll be pushing on more. Coutinho is a top signing so there's a lot of potential.

Thanks for the chat, David. Finally, there's talk of Khan vs Mayweather. Who'll win?
I think it could happen. Mayweather is the master at making people make mistakes, so I think he'll be interested. Having said that, Khan has the speed to cause him problems so it would be a great fight to watch.

● The rematch, David Price vs Tony Thompson, is on Saturday 6 July. Tickets are available at www.frankmaloney.com or call 0844 800 0400.

READY TO RUMBLE! AGAIN!

David Price (left) was unbeaten in his previous 15 fights before he met Tony Thompson last year.

WHO ARE YA!?

Premier League ahoy? Footy expert Gabriele Marcotti on this week's transfer talk!

NAME: ANDRE-PIERRE GIGNAC • **CURRENT CLUB:** MARSEILLE
WANTED BY: NEWCASTLE

"He's a big guy who has struggled with weight problems, isn't pretty to watch and is only marginally quicker than the Angel Of The North. But he's paid to score goals, not win beauty contests, and it's something he generally does well. Two years ago, he scored just one goal in 21 Ligue 1 appearances but last year he had a solid season and, with proper service, he will put goals away."

£4M

NAME: JORES OKORE • **SIGNED FROM:** FC NORDSJÆLLAND
NEW CLUB: ASTON VILLA

"Okore is one of the most athletic centre-backs out there, but his contribution goes well beyond his size, strength and speed. He's also a natural leader, who was made Nordsjælland's vice-captain at the age of just 20 last season. He displays maturity well beyond his years and often relies on his knack for reading the game rather than his physical gifts."

£18M

NAME: ANDRE SCHÜRRLE • **SIGNED FROM:** BAYER
LEVERKUSEN • **NEW CLUB:** CHELSEA

"Were it not for belonging to the same generation as Mesut Özil, Marco Reus, Thomas Mueller, Mario Götze and the rest of Germany's 'wunderkinder', Schürrle would probably be attracting far more hype. He's a good size and has plenty of presence, coupled with vision and technique. A natural winger, he can also play up front. He also works his rear end off when not in possession."

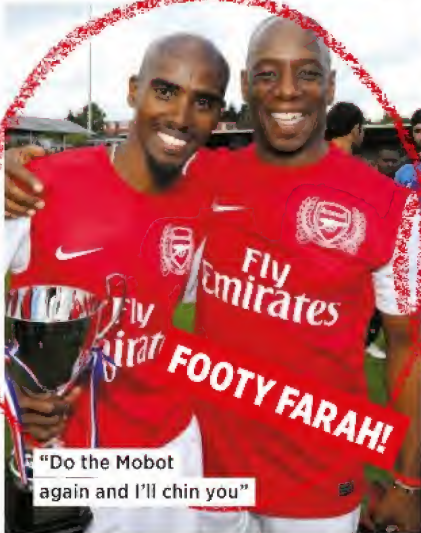

NAME: KEISUKE HONDA • **CURRENT CLUB:** CSKA MOSCOW
WANTED BY: EVERTON

"Honda is a natural second striker who can also play wide. Blessed with a vicious shot from distance and the ability to anticipate the action, he scores plenty for an attacking midfielder. His speciality is cutting across from left to right, but he is also a tireless worker whose sprints in the final minutes of a game are just as crisp and fast as those in the first minute."

MAN-LOVE CORNER!

“Quote me on that!”

This week's biggest match debaters!

"When I go for medicals at my club, it's a very thin piece of paper"

Paper usually is, Brad Friedel.

"Sir Alex was an aggressive old badger"

Graeme Souness on Man United's dirty animal.

"We want to pass the ball with great charisma"

Brendan Rodgers talks nonsense.

"I had self doubt, no doubt about it"

Brian McDermott sounds doubtful.

"I wonder if I'll speak English with a British twang"

New Aston Villa defender Jores Okore is already confused.

"David Moyes couldn't have done any more. Except win something"

That's quite a bit more, Tim Cahill.

"I hate to use the word in transition, but Liverpool are"

That's two words, Jamie Redknapp.

"The only one way to control me is with a straitjacket"

Paolo Di Canio really is nuts.

OO-ER SOUNDS A BIT RUDE CORNER!

"Benteke's strength is that he's always coming"

Paul Merson on the insatiable striker.

"I remember telling Ishmael Miller, 'You're going to enjoy yourself playing with me'"

Neil Warnock makes himself available.

"It's all about what you do down below"

For Glenn Hoddle, it's about the tackle.
